A man with a beard, wearing a green vest over a grey shirt and blue jeans, stands on a rustic wooden staircase built into a forest. The staircase is made of wide wooden planks and is flanked by railings made of rough-hewn logs. The background is a dense forest with lush green trees and foliage. Sunlight filters through the leaves, creating a dappled light effect. The man is looking towards the camera and has his hand resting on the railing.

Thank you very much for your attention.
